A. The purpose of this procedure is to secure at the lowest level an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement.

B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with an appropriate member of the department. The grievance shall be defined as any dispute which may arise between the parties concerning the application, meaning or interpretation of this agreement. A grievance may be initiated by either an employee, a Union Representative or the Township. It shall be the responsibility of the employee to properly notify and inform the Union Representative when initiating a grievance.

Step I - Verbal Grievance

a. Whenever an employee has a grievance, he should first present it verbally (or in writing if the employee chooses) to his immediate supervisor. It is the responsibility of the supervisor to attempt to arrange a mutually satisfactory settlement of the grievance within five (5) working days of the time when it was first presented to him or failing in that, must within that time advise the employee of his inability to do so.

b. When an employee is informed by his supervisor that he is unable, within the discretion permitted him, to arrange a mutually satisfactory solution to the grievance, the employee must, if he wishes to present the grievance to a higher authority, do so in writing in the manner set forth in Step II below.

Step II - Formal Written Grievance

a. The employee will prepare the grievance in writing, in duplicate. The grievance should be stated as completely and as clearly as possible, in order to permit prompt handling. One (1) copy of the grievance shall be immediately placed in the hands of the Department Head.

b. A copy of the grievance shall be presented by the employee to his Division Head, to whom the grievance was made verbally. The Division Head will report the facts and events which led up to its presentation in writing, including in his written report any verbal answer he may have previously given to the employee concerning this grievance. Within five (5) working days after receipt of the written grievance the Division Head must present it with the information required to the Department Head or Administrator.

c. The Administrator will attempt to find a mutually satisfactory solution to the grievance within ten (10) working days. Failing a solution, the complaint, accompanied by a written report on the matter by the Administrator, must be forwarded to the Council. The Council will then consider and formally act on the complaint within fifteen (15) days.

d. In the event that the grievance has not been resolved at the previous step, the aggrieved may file with the Public Employment Relations Commission (PERC) within twenty (20) days after determination of the previous step and request for advisory arbitration. The arbitrator will be appointed and the case will be heard in accordance with the rules and regulations of PERC, except as modified by this Agreement. The arbitrator shall set forth the findings of fact in law and reasoning in rendering his decision and shall submit such decision in writing to the parties.

e. The decision of the arbitrator will be advisory in nature only. The cost for the services of the arbitrator shall be borne equally by the parties. Any other expenses incurred shall be paid by the parties incurring same.

f. All papers and documents relating to a grievance and its disposition will be placed in the employee's personnel history file. Notification of all action taken concerning the grievance shall be transmitted in writing to the employee.
